

Moss Valley Primary Academy Accessibility Plan 2023-24

Moss Valley Primary Academy I was designated a 'barrier free school' and has a history of inclusive practice.

Current Status

The school has a series of ramps where appropriate for ease of access to the school.

The Orchard and Acorn buildings have ramps/accessibility to the buildings.

The school has two designated disabled toilets- one near the front entrance to school and one down the Year 6 classroom/Place2Be corridor at the rear of the building.

The Headteacher and Site Manager conduct an internal and external health and safety review annually and report their finding to the governing body. Actions are taken where appropriate.

Entrances and exits are free from barriers and easily recognisable and signposted.

Designated disabled parking space available for use.

School commit to modifying information given out where appropriate – enlarging text, use of Braille.

Health and safety officer keeps abreast of new requirements.

Future actions

Continue to monitor and feedback findings to the Headteacher and the governing body.
